RESORT FACT SHEET

OVERVIEW This luxury, private-island resort and AAA Four Diamond hotel features 52 guest accommodations, as well as a collection of two-, three-, four-, and six-bedroom villas, Ixora Spa, world-class restaurants, two private beaches and a 55-slip marina.

OPENED July 2010

LOCATION The resort is named after its location on Scrub Island, a serene 230-acre haven situated one mile from the east end of Tortola in the British Virgin Islands. Scrub Island was discovered by Christopher Columbus nearly 500 years ago while serving as a stopping point for European explorers en route to new lands. Legend has it the name came from pirates who dropped anchor in the area to “scrub” barnacles off their boats. The island remained relatively untouched for centuries.

Scrub Island is fringed by pristine beaches that shelve gently into the Caribbean Sea. It features protected coves, nature trails and stunning scenery. Extreme care has been taken in every aspect of development to ensure protection of the island’s natural ecosystem. In fact, the island is virtually vehicle-free, with resort shuttles serving as the primary form of transportation.

Average temperatures range from 80 F (26.67 C) to 92 F (33.33 C). Currency is U.S. dollars.

ACCOMMODATIONS Scrub Island Resort accommodations consist of 26 guest rooms; 26 one-bedroom suites; and a collection of 13 luxury villas. All offer dramatic views of the Caribbean Sea. MARINA SERVICES

Scrub Island offers a 55-slip marina available for lease or transient docking, including five for mega yachts up to 160 feet. Scrub Island is the closest destination to the North Drop, known as the “honey spot” for tuna and world-record Blue Marlin fishing. Guests can book full- or half-day fishing excursions complete with boat, guide and equipment. A variety of watercraft is available for group and private charters.

The shallows surrounding Scrub Island, as well as many nearby coves, bays, reefs and inlets, are ideal for snorkelers and divers. Snorkeling and diving trips may be arranged with Dive BVI located on property. Sightseeing charters may also be coordinated by resort hosts.

Scrub Island is home to Dream Caribbean Blue, an all-inclusive charter company inviting guests to enjoy a luxury crewed experience exploring the surrounding Caribbean waters.

Scrub Island's Marina is also home to America's #1 Sailing School®, Colgate Offshore Sailing School. For more than 60 years, Offshore Sailing School has taught more than 160,000 adults and families to sail or sail better. First-time sailors or guests wanting to sharpen their sailing skills also have several learning vacation options at Scrub Island Resort, including Learn to Sail, Performance Sailing and Fast Track to Cruising courses.

IXORA SPA

Named for the native tropical shrub, Ixora Spa is perched on a hillside overlooking the crystal-clear waters of the Caribbean Sea, offering a haven to relax, refresh and re-energize. As a testament to the island's namesake, signature scrubs are a requisite for spa-goers seeking a true experience that embraces its cliffside sense

of place. The 3,000-sq.-ft. facility features fully renovated treatment rooms offering breathtaking views unlike any other. The highly trained therapists deliver masterful Ayurvedic experiences enticing the senses while rejuvenating the mind and refreshing the body. DINING & LOUNGES Guests may choose from a selection of venues and take advantage of private chef services and in-room dining.

Cardamom & Co. – Overlooking the marina and pool, the resort’s signature restaurant features an exciting menu telling the story of the spice trade and its impact on the diversity of cultures and flavors found throughout the Caribbean.

Donovan’s Reef Marina Bar & Grill – This outdoor grill offers popular Caribbean favorites and features a thatched roof and open-air views of the resort and neighboring islands.

Scrub Island Outpost – Located in Marina Village, the café offers a deli menu with fresh fruit salad, made-to-order sandwiches and pizzas and a wide assortment of provisions – including coffee and baked goods – plus deli meats and cheeses, snacks, sweets, premium wines and liquor.

One Shoe Beach Bar – Located on North Beach, One Shoe features a private pool and refreshing cocktail service.

Marina Cay – Just off the shore from Scrub Island, the eight-acre island of Marina Cay has an interesting history. In the late 1930s, it was home to newlyweds Robb and Rodie White. His best-selling book of 1953, *Our Virgin Island*, chronicled their life on Marina Cay, which later became a film starring Sidney Poitier and John Cassavetes. In 1956, the island was purchased by Eugene “Gene” Tonkonogy, and a simple yet iconic resort operated over the years. In the early 1990s, Charles Tobias opened a Pusser’s Restaurant and Outpost. Sadly, in 2017, Hurricane Irma devastated the island, and the restaurant was forced to close. Now operated by Scrub Island Resort, visitors once again are able to enjoy the island’s charm with a bar & grill serving lunch and dinner, and a watersports operation for the more adventurous. Boaters exploring the British Virgin Islands can safely stay overnight using the available mooring balls just off Marina Cay. Robb, Rodie and Gene would be proud.

WEDDINGS Scrub Island Resort offers custom wedding packages as well as an on-site wedding coordinator. Venues include beachfront and poolside locations, or an elegant ballroom that can accommodate up to 120 people.

MEETINGS / EVENTS Scrub Island Resort offers 7,000 sq. ft. of function space, including 2,100 sq. ft. of indoor contemporary meeting space – the most in the British Virgin Islands. The air-conditioned Columbus Ballroom, featuring natural stone flooring, accommodates up to 150 people and can be divided into three rooms. The latest in audio-visual is available including video conference capabilities, projection screens, LCD projectors, staging, lighting and wireless microphones. Just outside the ballroom, groups can make full use of the Grand Patio for lunches, breaks, receptions, or an impromptu al fresco breakout. Excursions for groups can easily be coordinated to achieve collaboration and team building, or to instill a sense of wonder, adventure and fun.

Complimentary wireless service is offered throughout the property.

OTHER AMENITIES Scrub Island Resort also features a lagoon-style, four-tiered pool with waterfalls, a slide, and swim-up bar that has walk-up access to Donovan’s Reef Marina Bar & Grill. Sea kayaks and paddle boards are also available for guests’ enjoyment.
