Create Leaders and Build Successful Teams Under Sail

Customized Sailing Events

No sailing experience required! You sail on award winning Colgate 26 sailboats. Designed by National Sailing Hall of Famer Steve Colgate, these boats sail comfortably with four to five participants and are safe and easy to handle. An expert US Sailing certified instructor coach on each boat puts you at ease as you take the helm, trim the sails and feel the thrill of making a boat move under sail-power alone. Choose a sailing program from the menu below and make your Scrub Island retreat the best ever!

◆ Simply Sailing

Take turns steering the boat and learn to make the sails catch the wind, or just lay back and relax as your coach does the work. \$75 per person per hour, two person minimum, two hour session.

◆ Sail-Race Challenge

Everyone aboard each boat rotates positions – steering, handling sails. Individuals become effective teams – starting with sailing basics, learning to sail “smart,” ending with an exciting regatta with all boats competing. A nice stand-alone event or adjunct to conference meetings. Starts at \$299 per person half-day session, \$399 per person full day session. Two boat minimum.

◆ Ya Gotta Regattas

Teams sail Colgate 26s in a series of races, with engaging drills to stimulate competitive spirits. Starts with a training session to bring everyone up to speed, then everyone focuses on making the boats get to the finish line first. Programs tailored to group’s focus. Two boat minimum. Prices quoted on request.

◆ Colgate 26 Multi-Day Programs

Enhance multi-day meetings with sail-training sessions aboard 26’ sailboats. Build sailing skills in half-day sessions while staying at Scrub Island Resort. Participants go home with US Sailing Basic Keelboat Certification and confidence gained in Offshore Sailing School’s valued Learn to Sail Course. Tuition quoted on request.

◆ Big Boat Multi-Day Leadership Programs

Teams live aboard beautiful 43’ to 54’ cruising sailboats for up to a week, completing a roster of stimulating drills while sailing from port to port in this island paradise. Individuals learn to live together, with coaches critiquing each day’s results. Package prices including all meals while aboard are quoted on request.
