IXORA SPA FACT SHEET

RESORT: This luxury, AAA Four Diamond hotel is the first member of Marriott's Autograph Collection in the Caribbean. It features 52 guest accommodations as well as a collection of two-, three-, four- and six-bedroom villas, Ixora Spa, world-class restaurants, two private beaches and a 55-slip marina.

Scrub Island is fringed by pristine beaches that shelve gently into the Caribbean Sea. It features protected coves, nature trails and stunning scenery. Extreme care has been taken into every aspect of development to ensure protection of the island's natural ecosystem. In fact, the island is virtually vehicle-free with resort shuttles serving as the primary form of transportation.

SPA OVERVIEW: Named for the native tropical shrub, Ixora Spa is perched on a hillside overlooking the crystal-clear waters of the Caribbean Sea, offering a haven to relax, refresh and re-energize. This 3,000-sq.-ft. facility has spectacular treatment rooms offering breathtaking views unlike any other and the highly-trained therapists deliver masterful experiences enticing the senses while rejuvenating the mind and refreshing the body.

As a testament to the island's namesake, Ayurvedic Wellness Treatments are a requisite for spa goers seeking a true experience that embraces its cliff-side sense of place. Developed thousands of years ago in India, Ayurveda is one of the world's oldest holistic healing systems and is based on the belief that health and wellness depend on a delicate balance between the mind, body and soul. Spa director, Raja Mannar Chinnaraju, skillfully blends the healing powers of Ayurveda in a variety of wellness treatments that leave guest's minds peaceful, muscles relaxed and skin beautiful.

FACILITIES & AMENITIES:

- Three treatment rooms including two romantic couples suites
- Relaxation areas, changing areas, private showers and baths
- Infinity pool and relaxation deck overlooking the Caribbean Sea
- 15 Life-Fitness exercise machines and free weights at the resort's 24-hour fitness center

TREATMENTS AND SERVICES:

Ayurvedic Wellness Treatments

Guests can choose from an array of Ayurvedic experiences designed to relax and rejuvenate while improving wellness from the inside out.

- **Ayurvedic Consultation:** The Ayurvedic Dosha Diagnosis determines your body type (prakruti) and your current state (vikruti). With this knowledge, recommendations will be made on nutrition, yoga and purification treatments to maintain balance and a healthy lifestyle.
- **Abhyanga** (Traditional Ayurvedic Massage): Abhyanga – “to anoint” – is Ayurveda’s principal healing tool and the mother of all massages. This whole-body massage with herbal oils is customized to your body type to detoxify, nourish and revitalize. Abhyanga achieves its deepest healing effects by naturally harmonizing mind, body and spirit.
- **Shirodhara** (Blissful Third Eye Treatment): Shiro means Head and Dhara means Stream. This unique ayurvedic treatment entails warm herbal oil being gently and steadily poured onto the forehead and through the scalp. Designed to ease stress and calm emotions, providing a journey into deep relaxation.
- **Herbal Poultice Massage:** Warm essential oil is drizzled over the body. Then, heated poultices made of dry lemon grass, peppermint, basil leaves, lavender and marigold flowers are slowly massaged targeting sore areas.
