SCRUB ISLAND RESORT'S MARINA SETS STANDARD FOR SAILORS

BRITISH VIRGIN ISLANDS – Located in the “sailing capital of the Caribbean,” the serene private island haven of Scrub Island Resort is home to the newest marina in the British Virgin Islands (BVI). Scrub Island Resort offers a fully-renovated 55-slip marina for lease or transient docking, including five accommodating mega yachts up to 160 feet. Renovation highlights include brand-new pedestals that provide access to power and water, as well as new lighting with underwater illumination. Sailing and boating enthusiasts alike can appreciate the region’s fair weather, gentle trade winds and easy access to more than 60 additional nearby islands. Virgin Gorda, Jost Van Dyke, St. Thomas, St. Kitts and Nevis are among the many island-hopping destinations within a day’s sail of Scrub Island’s Marina.

“The marina’s popularity continues to exceed expectations, as boaters from around the world visiting the BVI take notice of our personalized service and unrivaled location,” explains Scott McArdle, general manager at Scrub Island Resort, Spa & Marina.

Scrub Island’s Marina is the departure point for most of the water-oriented activities available at the resort. Yachts and watercraft of all sizes are available for group and private charters, from sightseeing to deep sea fishing. Here, visitors can explore the breathtaking sea life surrounding the island with daily group snorkel tours, dive trips, eco-explorer tours and private dive, snorkel and sightseeing charters. The shallows surrounding Scrub Island, as well as many nearby coves, bays, reefs and inlets, are ideal for snorkelers and divers. Dive BVI is located on-site offering expert instruction including SSI and PADI certification.

Scrub Island is also the closest destination to the North Drop, known as the “honey spot” for tuna and world-record blue marlin fishing. Guests can book full- or half-day fishing excursions complete with boat, guide and equipment. Speed boat adventures, island hopping and sailing cruises can all also be arranged.

The marina is open daily with fresh water, electric hook-up, trash service, ice and other full-service offerings in a scenic setting. The Marina Village shops include the Gourmet Market & Café and

Antilia Boutique for stocking up on provisions and souvenirs. For a Caribbean-inspired meal before setting sail, Scrub Island Resort is also home to Cardamom & Co., a signature restaurant featuring outdoor seating and a view overlooking the marina.

Daily dockage rates are as follows:

- December 16 – January 5 \$6 per ft. per night
- January 5 – April 30 \$2.50 per ft. per night
- May 1 – December 15 \$1.50 per ft. per night
