Scrub Island Resort features 17,000 sq. ft. of function space and a collection of inventive locations for events and team-building sessions. The private island resort features 52 guest accommodations, as well as a collection of two-, three-, four- and six-bedroom villas, Ixora Spa, world-class restaurants, two private beaches, nature trails and a 55-slip marina.

THE DESTINATION Scrub Island is located on a serene 230-acre private island one mile from the east end of Tortola. It is 74 miles east of Puerto Rico and 28 miles northeast of St. Thomas and offers ample opportunities to discover and explore the natural beauty of the British Virgin Islands.

MEETING SPACE Scrub Island offers 2,100 sq. ft. of contemporary air-conditioned meeting space, the most in the British Virgin Islands, along with 15,000 sq. ft. of outdoor function space.

The Columbus Ballroom, featuring natural stone flooring and elegant millwork, accommodates up to 120 people and can be divided into three spaces named *Nina*, *Pinta* and *Santa Maria*. A full menu of audio-visual equipment is available for groups and meetings. The ballroom opens to the resort's Grand Patio overlooking the marina and Caribbean Sea.

Located in Cardamom & Co., the resort's signature restaurant, the Candle Room is a private space that can accommodate up to 20 people. Enveloped by a climate-controlled wine cabinet, the room features rich red leather furnishings and hardwood floors and overlooks the surrounding waters.

The pool at North Beach is also a popular spot for on-island functions. Its One Shoe Beach Bar & Grill has food and beverage capabilities available for group functions and is a top choice for farewell events.

Governor's Point is located on a rugged cliff, offerings stunning views of the Atlantic Ocean. It can function as a venue for cocktails and live music.

The island's private luxury villas measure more than 6,000 square feet and offer expansive views of the Caribbean Sea. They feature large balconies with private pools and kitchens equipped with SubZero, Wolf and Viking appliances that can be utilized by the resort's talented culinary team.

Scrub Island Resort can also arrange for events to take place at an exclusive venue called *Wali Nikiti*. This private home is set on two acres of land spilling down to the Atlantic Ocean. Cocooned in foliage from Broom Palms and Turpentine trees, the open-air property features a thatch roof, making the most of the oceanfront environment. Its custom-designed kitchen and living space can be utilized for cooking classes, cocktail parties or five-course dinners.

PRIVATE ISLAND EXPERIENCE

Groups arrive at the international airport on Tortola and immediately transfer to the property by the resort's private ferry. Upon arrival, they are greeted by on-site hosts and offered a refreshing rum punch cocktail.

Memorable group team-building activities include charter boat excursions from the resort's private marina, including sailing to neighboring islands and an exclusive Caribbean-style "high tea on the sea." The British Virgin Islands are known for their legendary beachside watering holes, and island-hopping pub crawls can be arranged by resort hosts for groups of all sizes.

The resort puts adventurous groups in easy reach of world-renowned fishing grounds such as the North Drop. Private fishing tournaments can be arranged for battling tuna and giant marlin.

Additionally, preferred tee-times can be set up at the George and Tom Fazio-designed Mahogany Run Golf Course, a challenging par-70 on neighboring St. Thomas. The island also offers excellent duty-free shopping. Transportation to St. Thomas is very convenient via public ferry from Tortola. A private boat or helicopter transfer can also be arranged.
